

Plastic Brine Line Flow Controls for 474 Brine Valves

474 Brine Valve 1/2" with 2 gpm Flow Control

- Reliable and proven flow button design
- 100% Air Tested with Flow Control Button Installed
- Maximum Operating Pressure: 125 psig (862 kPa)
- Temperature Range: 40-110°F (4-43°C)

474 Brine Valve 1/2" Elbow Assembly with 2 gpm Flow Control

- Reliable and proven flow button design
- 100% Air Tested with Flow Control Button Installed
- Maximum Operating Pressure: 125 psig (862 kPa)
- Temperature Range: 40-110°F (4-43°C)
